## LIQUID FILTER BAGS

*Standard, Custom, Multi-Layered—it's in the bag*

### FEATURES AND SPECIFICATIONS

- liquid filter bags are manufactured in the USA, and are made with the highest grade materials to offer you quality and efficiency in each bag
- All standard sizes are available with 12 different top rings to offer you the proper filter bag you need to adapt with your existing housings
- Ratings from 1 to 1000 micron and 8 different medias suitable to your application
- Bag Handles are standard on our bags at no additional cost
- Our filter bags are produced in a silicone free environment
- Custom bags, sleeves or panels can be produced to your specifications, offering you complete control of the filtration process
- Multi-Layered filter bags are available
- Optional Glazing inhibits fiber migration and enhances efficiency
- All materials used in production are FDA Title 21 compliant
